Just wondering whether you've gotten a response yet on PCC?

Also, I left you a voicemail earlier. I've got some broader policy type questions regarding the Gold King, CO mine spill. Are you the one handling those kinds of questions? If so, I'll send them. If not, let me know who to contact.

Thanks.

Hi Suzanne, I gave them til Monday on it per our convo about your deadline. That said I just pinged them to see if it is close to ready today.

I'm out on Monday, back Tuesday. Cathy Milbourn is my back up but as you know, my office director, George Hull, works on a lot of OSWER responses when needed.

Julia,

I just wanted to check with you to see if you were able to get the comments on the post-closure care guidance. I heard that likely states did comment.

On another note, I saw that Barnes Johnson, ORCR director, is scheduled to speak next week (Aug. 11) at the Assoc. of State & Territorial Solid Waste Management Official hazardous waste conference. Does he have any talking points, or a written speech I could get a copy of?

Thanks.

Julia,

I saw that EPA extended the comment period on its guidance for hazardous waste disposal facilities' post-closure period ([http://www.epa.gov/waste/hazard/tsd/td/ldu/pdf/post\\_closr\\_gd.pdf](http://www.epa.gov/waste/hazard/tsd/td/ldu/pdf/post_closr_gd.pdf)) until July 31. Could you tell me if EPA received any comments? If so, could I obtain copies of those comments?

My next deadline is Wed., Aug. 12.

Thanks very much.
